

DIAMOND™ VALVE ELIMINATES WEAR ON SEALS, ENSURING **LEAK-FREE OPERATION** FOR LIFE OF THE FAUCET

INNOFLEX® PEX SUPPLY LINES ARE INTEGRATED INTO THE FAUCET FOR **ONE LESS LEAK POINT**

## DIAMOND SEAL® TECHNOLOGY

### A Lifetime of Reliable Performance.

Give your clients an experience they can rely on with a faucet that performs like new for life. Delta® DIAMOND Seal® Technology uses a patented design to reduce leak points and last twice as long as the industry standard\*—ensuring leak-free operation for the life of the faucet.
